Find the perfect match and

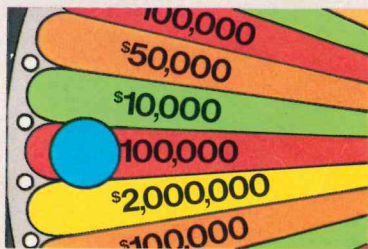

California Jackpot is here! It's the very first instant game from the California Lottery. California Jackpot is fun. It's easy to play. And it only costs a dollar. Best of all, you could win \$2, \$5, \$100, \$500, \$1,000 or as much as \$5,000... instantly. Just scratch off the six "pot of money" symbols on your ticket to reveal the prize amounts underneath. If three prize amounts match, you're an instant winner of that dollar amount. Prizes of \$10,000 to \$2,000,000 may also be won in our Grand Prize Drawings.

Grand Prize Drawings for up to \$2,000,000.

If you're a \$100 winner, you're eligible to participate in the finalist selection process for one of the many Grand Prize drawings scheduled throughout the game, provided you have claimed your \$100 prize within 30 days after the announced end of the game.

If you are selected as one of the finalists, you will be able to spin the Grand Prize wheel to determine your Grand Prize amount. In addition to your \$100 instant prize, you could win \$10,000, \$50,000, \$100,000 or the Grand Prize of \$2,000,000. Imagine being paid \$100,000 a year for 20 years. It could happen if you hit any one of the "\$2,000,000" slots.

The Grand Prize Wheel	
Number of Slots	Prize Amounts

*Each \$2,000,000 Grand Prize winner will be paid in equal installments over 20 years with the first payment made immediately after the drawing (the \$2,000,000 Grand Prize is guaranteed to the winner's estate). Other prize amounts will be paid in full immediately after the drawing.

I win up to \$5,000. Instantly!

How to redeem your ticket.

If you win \$2 or \$5 instantly, fill out the back of your ticket and present it to the Lottery retailer who sold it to you. You will immediately be paid in cash.

If you're a \$100, \$500, \$1,000 or \$5,000 instant winner, sign the back of your ticket, then obtain a Winner Claim Form from any Lottery retailer or Lottery office. Complete the form and fill in the back of your ticket. Staple the ticket to the top copy of the Claim Form and keep the bottom carbon copy as your proof of claim. Mail or hand deliver your claim to any Lottery office. (If you mail your claim, Certified Mail is recommended.) All prize payments will be mailed once the ticket is validated.

Millions of winners.

On the average, better than one ticket in nine will win.

It's a good feeling. For a lot of good reasons.

California Jackpot has a lot of good things going for it.

It's fun to play, with a chance to win cash prizes. In fact, 50% of the money taken in by the Lottery will be paid right back in prize money. But more than that, at least 34% of the money generated by the Lottery goes directly to the California public educational system. So our schools win, too.

And that's a good feeling for everyone.

*California State Lottery prizes are exempt from California state income and local taxes but are not exempt from Federal income tax. In compliance with Federal regulations, the Lottery must notify the Internal Revenue Service of prize winnings greater than \$600.

**The actual number of winners may vary based on sales, distribution, and claims.

Lottery Rules.

Retailers are prohibited from selling Lottery tickets and/or paying prizes to minors (persons under the age of 18). The Lottery will not pay a prize to a minor.

All prizes must be claimed within 180 days after the announced end of the game. All tickets, transactions, and winners are subject to Lottery rules and State law. Tickets are void if stolen, unissued, mutilated, altered, unreadable, counterfeit in whole or in part, miscut, misregistered, defective, printed or produced in error, multiply printed, blank or partially blank; if anything other than one and only one prize amount (\$2, \$5, \$100, \$500, \$1,000 or \$5,000) with matching caption (TWO, FIVE, ONE HUND, FIVE HUND, ONE THOU, or FIVE THOU, respectively) appears under each of 6 (six) spots in gray-black ink; if any portion of "VOID IF REMOVED" spot is exposed; if the apparent or asserted prize amounts are not confirmed by the caption under the amount and by the ticket's validation number; or if the ticket fails any of the Lottery's other confidential validation tests. Liability for void tickets is limited to replacement of ticket or refund of retail sales price.

Lottery Offices.

There are 12 Lottery offices across the state to serve you. They're open Monday-Friday, 8:00 a.m. to 5:00 p.m. and are closed on State holidays.
